

# Into Darkness Peering (Soulguard Series Book 1)

When her father dies violently, leaving behind nothing but chaos and a secluded Gothic inn, seventeen-year-old Voirey Cruz loses control of her life and her faith in anything. Her search for answers about her father's mysterious behavior and sudden death thrusts her into a world of evil doppelgangers intent on destroying her. She must gain faith in the existence of demons, and in her ability and inborn responsibility to kill them, or she might not make it to eighteen. If she believed in magic she'd bring her father back from the dead. But not believing in magic doesn't make the reality of it go away. If she believed in heroes, they wouldn't be punk boys with eyeliner, tattoos, and a lip piercing. If she believed in love, it wouldn't be forbidden. It wouldn't be a secret. And it wouldn't lead to death.
