

Big Game of Everything, The

You have to love your family. You do, even if you dont, right? You dont have to understand them or play tennis with them, but you have to love them. Its a rule, and its the kind of rule you dont break unless youre some kind of animal. My brother happens to be some kind of animal. My sister rides this sweet gold Honda scooter and has amazing hair. Youd hate her. My parents are vegetarian let-the-sunshine-in freaks. Lovable freaks but freaks all the same. My grandfather possesses a shocking comb-over, a kilt, about half of his original marbles, and his own golf complex. This summer, we are all working for him. It is going to be two hot, lucrative, carefree months of paradise. Or, possibly something else.
