

# A Song for Lost Angels: How Daddy and Papa Fought to Save Their Family

This book tells the intimate history of a family of two men plus triplets that came together suddenly one day, and thrived for a year before being torn apart by groundless prejudice. San Francisco author Kevin Fisher-Paulson tells this riveting story with grace, dignity, and a surprisingly generous dose of humor. *A Song for Lost Angels* takes the discussion of gay marriage to the next level, where the rights and struggles of gay parents and their kids can be openly recognized. This family history will make you laugh, cry, and sometimes sputter with outrage, even as it redefines what Americans call family values. Originally published by Fearless Books, this Second Edition has been updated with a new selection of photos. A German edition is published by Edition Spuren. Finalist, LGBT Category, 2015 Benjamin Franklin Awards, Independent Book Publishers Association Finalist, GBLT Category and Finalist, Memoirs Category, 2015 Next Generation Indie Book Awards
