

# Living Lives: Living Lies

The four central characters are attractive women in their prime: Jacqui, dark, fit and fiery; Hazel, elegant and cultured; Sonia, gauche; Paula, vivacious, magnetic. On the surface they have it all, but beneath the veneer of successful respectability there lurks a totally different story. Disillusioned and looking for more, their search for sexual fulfilment and adventure leads them on a journey which will change their lives and those of their families for good. They are drawn together by chance, ripped apart by fury. You will become the fifth member of the group, totally involved in the compelling lives of these women as they reveal secrets, which, when shared, have devastating consequences.
