

# Beyond Busyness: Time Wisdom in an Hour

A book specially written to help YOU give up busyness in just one hour and get your life back! Following the success of his previous book, *Beyond Busyness: Time Wisdom for Ministry*, Dr Stephen Cherry has distilled the essence of Time Wisdom into this bite-sized book, essential for anyone seeking to restore some balance in their busy life. WHY GIVE UP BUSYNESS? You might just find you get more done... BUSYNESS HAS BECOME A DISEASE. The developed world is suffering from an epidemic of major proportions, and the disease at the heart of it is busyness. We are addicted to doing one thing after another with as little down-time as possible. This is a sickness, a spiritual sickness. WHY IS BUSYNESS SO BAD? It distorts your perception. It makes you feel self-important. It makes you rude. It's an excuse for impatience. It's an excuse for not getting things done. It's addictive. It burns you out. It's lazy. Chronic busyness occurs when you have not asked the important questions or decided on your priorities. Learn Time Wisdom in an hour and get your life back! ABOUT THE AUTHOR Stephen Cherry is a Canon of Durham Cathedral and is responsible for the ongoing development of ministers in the Diocese of Durham, and author of *Healing Agony* and the Archbishop of Canterbury's 2011 Lent Book, *Barefoot Disciple*. Stephen has degrees in Psychology and Theology, and a PhD on the theology and practice of forgiveness.
