

Aspire - Innocent Entry

Lost to this world, Jake's spirit is ripped from his body and soul. Illness, loneliness, and fear tear him away from this world. He enters a new place, a new land. Built from hope, it is named Aspire. Here Jake can find a special kind of healing with no boundaries. It is a place of freedom. Until it too is corrupted by a tyrant. Jake must stand up and save this world. It is his last chance at happiness for himself and all others who find Aspire. An adventure fed by tragedy, *Aspire - Innocent Entry* begins the tales of another place we all hope to find someday. The story is written in the perspective of the young child Jake who is five years old. His regular life is thrown for a loop when his father disappears, his mother is put in jail as a suspect in the case of her missing husband. Then Jake is diagnosed with a deadly disease. He is alone in the world. His friend Sam lives too far away to visit the Children's hospital so Jake is sent to another world, Aspire. As he sleeps in this world, Aspire, allows him to do anything his heart desires. Even fly! It is a wonderful place where people are their perfect age 15- 35, and have the beauty of Aspire to calm their troubled souls that struggle in the real world. Then tyranny strikes Aspire as well. Jake becomes our hero and fights the evil, here he can make a difference and restore the beautiful world of Aspire back to its original design. *Aspire - Innocent Entry* is book one in the *Aspire Trilogy*.
