

# Creativity Quotes: 1300 Inspirational and Motivational Quotes about Creativity by Great and Successful Creative People

Do you have a dream of becoming a creative person? Have you ever wondered how the most creative people became creative? See, creativity is a part of human beings. That's what makes us the greatest and highly privileged creatures in the world. The most successful people in various fields are those that are able to tap into their creativity to come up with new ideas or concepts. Creativity dominates every field in different industries: sports, music, films, writing, painting, business, investment, entrepreneurship, and everything that exists under the sun. The good news is that each person on this earth is born creative. But the problem lies on how to explore and develop our creative skills. Once developed, a creative skill can help you come up with a profitable and successful idea, business concept, or a lucrative product or service in your chosen field. It can also make you the go-to person in your field. In this book, you'll learn from various great and successful creative people through their quotes. You'll discover how most of them went from being dumb to creating amazing concepts in their respective fields, and how you too can become the most creative person that ever lived. Reading a few creative quotes per day will help inspire and motivate you in your quest to becoming the creative person that you dream about. The quotes were gleaned from a diverse of materials: books, audiotapes, videotapes, seminars, interviews, etc. -- created by creative people. This book will help inspire you to pursue your creative dream by reading and learning from the 1300+ creativity quotes. Waste no more time, scroll up this page and grab your own copy today.
