

Soul of the Samurai: Modern Translations of Three Classic Works of Zen & Bushido

Modern translations of three classic works of Zen & Bushido. In *Soul of the Samurai*, respected author and translator Thomas Cleary reveals the true essence of Bushido or Zen warrior teachings according to 17th-century Japanese samurai master Yagyū Munenori and his Zen teacher Takuan Soho. The three works of Zen Bushido translated in *Soul of the Samurai* are: *The Book of the Sword* by Yagyū Munenori, *The Inscrutable Subtlety of Immovable Wisdom* by Takuan Soho, and *The Peerless Sword* by Takuan Soho. Yagyū was a renowned swordsman and chief of the Shogun's secret police, while Takuan was the Zen spiritual mentor to the Emperor. This samurai philosophy book contains the first English translations of their seminal writings on Bushido. Cleary not only provides clear and readable translations but comprehensive notes introducing the social, political, and organizational principles that defined Samurai culture: their loyalty to family, their sense of service and duty, and their political strategies for dealing with allies and enemies. These writings introduce the reader to the authentic world of Zen culture and the secrets behind the Samurai's success: being in the moment and freeing the mind from all distractions, allowing you to react instantaneously and instinctively without thinking.
