

Dr. Z on Scoring: How to Pick Up, Seduce, and Hook Up with Hot Women

Victoria Zdrok, J.D., Ph.D., is a clinical psychologist and certified sex therapist, and the only woman in history to be named both Playboy Playmate of the Month and Penthouse Pet of the Year. She is the ultimate insider, and this is the comprehensive guide to every male fantasy: that of meeting, hooking up with, and dating attractive and alluring women, from the girl next door to the centerfold of your dreams. Dr. Z grounds her methods in scientific research and field-tested facts, using her years of experience in academia and as one of the worlds most popular models to formulate a seduction manual complete with all the secret, surefire tips men have always wanted to know (and women hoped they never found out). Dr. Z on Scoring contains illuminating lists (from things to avoid talking about on a first date to ways to last longer in the sack), confidence-building exercises, and a step-by-step strategy to help any man not only find and talk to his dream woman but also to take her to bed-and satisfy her once he gets there.
