

# How To Write Exciting and Believable Science Fiction and Action-Adventure Stories (How To Write Stories Book 1)

Can you make money selling your stories? Can you make improvements to your writing skills? Is it possible to learn the same writing techniques that are used by famous and successful authors? Is there an alternative to attending expensive and time-consuming writing classes? The answer to all the above is Yes! It is a fact that many of the writing techniques practiced by famous and successful authors are not taught in our schools, so if you are serious about creating well written, interesting, and exciting books or short stories, then Writing Exciting and Believable Science Fiction and Action-Adventure Stories is for you.

It is an easy to use manual that covers many important topics such as: Creating Your Characters; Who Are Your Point of View Characters?; Making Your Stories Authentic and Believable; Building Conflict and Tension; Getting Your Readers Involved; Finding Story Ideas; and numerous other writing tips. This manual is not about how to use nouns, pronouns, verbs, etc. It goes far beyond the basics that you should have already learned about writing. Becoming a successful writer is an ongoing process. A good writer always strives to improve his or her techniques so as to become a better writer. How To Write Exciting and Believable Science Fiction and Action-Adventure Stories has been designed to do just that; make you a better writer. Order your copy today!
