

# The Misfits of Mishawaka

Four complete idiots with a severe passion for golf and the crazy crap they get involved in so they can keep up their addiction. This story is so freakin funny that there is a 77% chance you will shit your pants while reading it. Written in screenplay format, you will love the off-the-wall, rapid-fire dialogue between these loveable losers and their senses of humor, which border psychotic and demented and you will keep you laughing throughout. The Misfits of Mishawaka makes Caddyshack tame in comparison and the twisted comical content within this story rivals Blazing Saddles. So prepare to be thoroughly entertained. And be prepared to lose your bodily functions.
