

The Virtues Of Heifer Verses . Surah Al-Baqarah Sentense 51-60 (Tafsir Al-Quran (surah Al-Baqarah) Book 7)

This verse preaching seditious speeches and acts done by the nation of Israel that playing foul the command of Allah when entering Jerusalem. They change the words and actions that are commanded of Allah with their own words and deeds. In the hadith narrated by Abu Hurairah r.a, the Prophet mentioned that when they were ordered to enter the gate of Jerusalem by prostrating and say (Kiththatun) which means free us (from our sins), then they change the word to Hinthathun which means a grain of wheat while they went to Jerusalem by crawling. Because of such action, they were called the wrong-doers that is the people who do something they should not do. They also called the wicked people who deny obedience to Allah and prefer evil to Him and refused His order. As a result of their wickedness, Allah punished them with a plague from heaven. According to Ibn Zaid, the punishment is in the form of cholera which had been punished to the people before them. According to At-Tabari the meaning of (catastrophe) or a penalty in this text is in the form of cholera or punishment in other form because there is no firm evidence of the verses in the Quran.
