

# Weather Report

Like the shifting and often turbulent skies of our own emotional meteorology, Rhonda Batchelor's poems forecast the shifting patterns of a marriage from quiet moments of a graceful dawn to stormy seas of absence, from brilliant love-strewn sunshowers to dark moments of loss and bitter nights upon the shore. In three sections, *Backbone of the Moon*, *Ghostly Dialogues* and *Still Breathing*, Batchelor explores the fleeting forever trilogy of expectations, unions and releases that comprise the tidelike phases of a lovers cycle. Dedicated to respected Canadian poet Charles Lillard, Batchelor's late husband, this work keeps to the notes of a personal lament but emerges triumphantly healed and ultimately blessed.
