

You Make Me Feel Like an Unnatural Woman: The Diary of a New Mother

A brutally honest and hilarious memoir from an over-forty first-time mom. Veteran journalist and Ladies Home Journal columnist, Judith Newman spent seven years and \$70,000 on infertility treatments, and finally, at age forty, she became pregnant with twins. *You Make Me Feel Like an Unnatural Woman* is not only her account of having children later in life: its about what happens to a marriage -- and to the spirit, when even the most sought-after baby comes. Wry, warm, and brutally honest, this is the book for any woman who has awakened at 3 AM to the insistent shrieks of her darling and thought: Oh man, Im too old for this.
