

# Unleashing the Power of Two: A Strategic Approach to Strengthening Marriage

what a wonder of nature and design a wing is- the function, shape and potential are there- but only fully realized when used in a pair, working together, compensating for each other and so in tune that their soaring seems effortless. -Patrick Golden Five Principles for Every Marriage In Unleashing the Power of Two, Wesley and Edrienne leverage the learning from their successes and challenges in business, life, and love to provide couples with five principles that will help them maximize their marriage. The Brandons share concepts, strategies, and examples that will help married couples achieve a new level of strength, effectiveness, and appreciation in their relationship.
