

# Using Ninja Strategies for Raising a Safe and Crime-Free Child: Suggestions for Parents and Educators

In this day and age of school shootings, non-custodial parental kidnappings and cyber-bullying; parents and educators are trying their best to raise their children in the most stable and nurturing environment that is possible. Now is the perfect time to introduce a new perspective for helping parents to deal with some of our present troubles. Utilizing the 1,000 year old teachings and mindset of the Japanese Ninja, the author offers some practical advice in a simplified format to try to help contribute to a reduction in violence towards children. 100% of the royalties from the sale of this book will be donated to the Promises2Kids charity in San Diego, CA.
