

Heart Shaped Rock

Sometimes a shattered heart needs to sing to love again . . . Sixteen year old singer-songwriter Shaynee Sullivan hasn't so much as touched her guitar since her mom died six months ago. In fact, Shaynee hasn't felt like doing much of anything lately, except maybe playing Whack-a-Mole on her emotionally intelligent brother's head. But when she meets a gorgeous and surprising rocker named Dean, her shattered heart begins to mend . . . and then bursts at the seams. Heart-wrenching, heart-warming, and sometimes even heart-racing, Heart Shaped Rock will leave you laughing through tears and rooting for love in all its forms. Hear the original music performed in Heart Shaped Rock at www.LauraRoppe.com. All music available on iTunes. If you liked the music collaboration of Maybe Someday, you've got to check out Heart Shaped Rock. --Colleen Hoover, New York Times best-selling author of Maybe Someday In Heart Shaped Rock, Laura Roppe has written a moving and emotional novel of first love, accurately capturing the voice and mind of a dramatic and emotional sixteen year old girl caught in a maelstrom of grief and loss, love and heartbreak. And then there's Dean you'll just have to read the book, cause I can't do him justice in a few short sentences. Jasinda Wilder, New York Times and USA Today best-selling author of Falling into You Captivating. Witty, funny and thoughtful. One of the most emotional and deeply heartfelt books I've ever read. Not to mention, the songs were awesome and are now currently gracing my mp3 player. S.R. McKade, author of Holding Out for Skye
