

## My German Ancestor

My German Ancestor Activity Book Come on the quest of a lifetime—the search for how your family came to be and why you are the way you are. Here are the super activities, games and questions that will help you discover the exciting lives of your German ancestors. Learning about your familys past can be a fun adventure that strengthens your family relationships today as you learn about the past together. With this activity book you can: Record how you are related to your German ancestor Try some German recipes Read a German Fairy Tale your ancestors might have known. Color and cut out German paper dolls to tell the stories of your ancestors Collect documents about your German ancestors life Make a Schultute School Bag like your ancestors may have received for school. Explore some of the qualities you share with your German Ancestor And explore many other activities In this book, simple projects, recipes and worksheets make it easy for your busy family to celebrate their German heritage. No matter what your age, you can help your family accomplish these activities together. As you learn, you can record your family history here to create a new family keepsake and pass your great German heritage down to future generations.
