

Bonnie & Champ Adventures Volume 2 (Bonnie & Champ Adventures)

This is about two dogs at Bonnies birthday party and then a day at the grooming salon. They are getting washed and cut. They come home and run with the golf cart and then go for a walk and chase rabbits. But we never let them close enough to hurt the rabbits. Champ points when he sees a rabbit. Bonnie just goes for a walk and greets her other friendly dogs, but she is so big that sometimes other dogs are afraid of her because of her size. She just lick everyone she sees. They are such lovable dogs that you would just want to hug them if you saw them.
