

Marriage PATH: Peacemaking at Home for Christian Couples

Many couples might wish for a happier marriage and a more peaceful home. But what does this mean, and what would it take? In Marriage PATH, author, minister, and marriage educator Cameron Lee offers a rich, biblically-grounded vision of peace, calling Christians to follow the teachings of Jesus by becoming peacemakers in their own homes. Lee encourages couples to cultivate the virtues of hope, hunger, humility, and compassion in their marriages, and offers practical guidelines for doing so. Discussion questions are included at the end of each chapter for individual, couple, or group study.
