

## An Intimate Note to the Sincere Seeker

Weekly Knowledge Sheets given by Sri Sri Ravi Shankar, a practice which began from the year 1995 and now, have been compiled into Seven Volume Series of books. This book (Volume I) is a collection of weekly talks, conversations and messages that Sri Sri Ravi Shankar gave between June 21 1995 to June 13 1996. An Intimate Note to the Sincere Seeker is a compilation of excerpts of talks by Sri Sri Ravi Shankar in the year 1995 - 1996. While these talks often discuss the state of the world at the time they were written, because they discuss human life on the most basic levels - love, hatred, trust, peace, silence, happiness, they are still valuable today. They give us an insight into this knowledge that is so deeply profound, yet so simple, knowledge that does not just remain in the intellect, but is beautifully and effortlessly integrated into daily life. Sri Sri avoids lengthy discussions about the deeper philosophy of life, yet his talks reflect these values to their very core. This book is specially compiled to help readers going through an emotional phase or who need a guidance in life. The reader can go through any one random page (365 chapters for 365 days) for help or can follow as per ones discretion. This book comes with a CD which contains discourse by Sri Sri.
