

Gramma Knows the F word

Have you ever wondered why some people seem to be laughing, giggling and having fun all of the time? How do they do that? Author Ted Schredd was vexed by the same questions. He had to find out the whys, whens and hows of having more fun. After fifteen years of hands-on research in fun, life, the self-help genre and how they all relate to each other, he has unraveled the mystery.
