

Radical Marriage: Your Relationship as Your Greatest Adventure

rad.i.cal (adjective): very different from the usual or traditional What kind of marriage do you want? Most couples dont want an ordinary, boring, routine relationship. They want excitement, fun, closeness, love. When we get married we make vows to be together until death do us part, but 50% of marriages dont or cant keep that commitment. We have a dream or vision of how we want our life together to be. If we dont believe our dream is possible we feel hopeless, stuck, and eventually leave the marriage mentally, emotionally, and often physically. Happiness vs. Fulfillment Its fascinating that what made us happy before eventually becomes no longer good enough. This is because theres a difference between happiness and fulfillment. Happiness is transient and what makes you happy can change from moment to moment, while fulfillment is about meeting deeper needs and is more lasting. So, What is a Radical Marriage? What does a Radical Marriage look like? No-one really knows because this is largely uncharted territory and individual for each couple. You can see glimpses in other couple relationships when they seem incredibly connected and in love, long after their honeymoon. These are the couples that inspire you to think I want to be like THAT! We identify six keys areas of a Radical Marriage that are covered in this book- 1. Radical Commitment (Chapter 3): Beyond your marriage vows you both are absolutely 100% committed to your marriage no matter what, and you are as committed to your partners happiness as your own. You each take 100% responsibility for the relationship, your experience in the relationship and for your outcomes in the relationship. 2. Radical Communication (Chapters 4-6): You know how to effectively exchange information so that it is thoroughly understood, and you know how to resolve differences and move on from conflict to get on with the serious

business of fulfilling your dreams. 3. Radical Intimacy (Chapter 7): You are completely transparent to your partner, don't hold anything back, and share all your thoughts, feelings, wants, needs, fantasies and desires. 4. Radical Romance (Chapter 8): You continually express your love, appreciation, attraction and adoration for your partner in words and actions and don't take your relationship for granted or allow passion to be replaced by routine. 5. Radical Sex (Chapter 9): Beyond satisfying physical urges, you consciously seek and experience emotional, physical, and spiritual connection every day, continually exploring new ways to express love and pleasure your partner and allowing yourself to be loved and pleased. 6. Radical Living (Chapter 10): Beyond survival and comfort, you consciously design your lifestyle together, develop your shared vision and goals, devote time and resources to realizing your dreams in each moment together as well as prioritizing your goals and preparing for your future. You are aware of how short your time is on this planet and savor each precious moment of life and being together. Is a Radical Marriage For You? Radical Marriage requires a strong relationship, so if yours is struggling you must focus on the basics. Radical Marriage requires a willingness to take emotional risks, which can induce stress when you're more wired for routine. It requires inviting and embracing evolution and change, which is against the grain for those who would rather watch TV, drink beer, and fall asleep on the couch. Radical Marriage is for couples who believe that they are together for a reason, which is to experience life to the fullest through their relationship.
