

Paramahansa Yogananda As I Knew Him: Experiences, Observations, and Reflections of a Disciple

Roy Eugene Davis met his guru, Paramahansa Yogananda on Christmas eve 1949. It is rare that a direct disciple of a master of yoga shares an intimate account of that relationship and describes the psychological and spiritual transformations that can occur. In this informative book the reader is introduced to a realm of experience and knowledge that is not ordinarily accessible. Mr. Davis has taught meditation and spiritual growth processes in North and South America, Europe, West Africa, Japan and India for more than 50 years. His books have been published in 10 languages. He is the founder and spiritual director of Center for Spiritual Awareness with International Headquarters in north Georgia.
