

Just a Pilgrim: Garden of Eden

Garth Ennis and Carlos Ezquerra (Judge Dredd: Death Aid, Preacher: Ancient History) reunite for another violent tale of futuristic frontier justice! In the shocking sequel to Just a Pilgrim, our mysterious, bible-toting hero comes upon a group of people who have survived the Burn - the apocalyptic burst of global warming which has left the Earth a desert - and plan to launch an ark into space, searching for somewhere for humanity to begin anew. There's just one problem, though; a race of vile, underground creatures known as Sliders, which can possess people's minds, and want only to kill and conquer. Can the Pilgrim protect humankind's last chance? And if he can, what will the cost be?
