

Kids Lunches - Winter Recipes for Kids (School Lunch Ideas)

Please note, this version of the book has a full color interior. Inspired by creative parents who pack delicious hot meals for school lunches this digest-sized kids recipe book features recipes for vegetable puree soups, chili, chicken pot pie etc. This collection of Kids Lunches: Winter Recipes for Kids offers you yummy ways to warm up your tummy on a cold winters day and showcases recipes from some of my favorite food bloggers. To make things extra fun, this book also includes a few winter jokes your kids can share with their friends. For more creative ideas to help celebrate winter, check out Lunches for Kids: Winter Ideas, the second winter-themed digest book in the School Lunch Ideas series.
