

# Method, Meaning and Revelation: The Meaning and Function of Revelation in Bernard Lonergans Method in Theology

In *Method, Meaning and Revelation*, Ormerod examines the writings of Lonergan to ascertain his theology of revelation and to place this in the context of current theologies of revelation, Rahner, Pannenberg, and Lindbeck. Ormerod's synthesis of Lonergan's position is that of seeing revelation as the entry of divine meanings and values into human history. A valuable addition to the study of the work of Lonergan.
