No Regrets, My Love

Surviving inconceivable loss of someone you love with no regrets. This is a captivating memoir of a life of two souls put together by the Universe. They experience abundant happiness, struggles, and darkness, and create an extraordinary life because of the lessons they learned along the way. Then suddenly the unthinkable happens. A fatal accident occurs. See how a woman copes and recovers from her worst tragedy. On a day like any other, she receives news that the love her life was killed. From the heart she openly tells her story of what it was like to live through grief and despair. She reflects on the magic, laughter, addiction, turmoil, courage, and wrong turns during her marriage. Ultimately, she found incredible happiness with her husband, her best friend. She touches on traditional and non-traditional approaches to healing and why she needed them. This incredible journey with love, loss, and grief has redefined her. With this transformation she hopes to share her experiences and help others heal from their own tragedies.
