

Focused for Golf

Playing good golf requires more than physical skills- it demands positive and strategic thinking. PGA golfer Chip Beck knows better than most the mental challenges of the game. As a former Ryder Cup player and one of the few players ever to shoot a 59 in a tour event (as he did in the 1991 Las Vegas Invitational) Beck has experienced what its like to be completely in the groove and confident. On the flip-side, Beck also knows the psychological fallout of failing to make the cut several weeks in a row. In Focused for Golf, Beck teams with sport psychologist Wayne Glad to provide practical advice and mental training exercises proven to work for players on the PGA and Nike tours. Sprinkled throughout the book are Becks and others helpful insights and memorable experiences in dealing with the games psychological ups and downs. Profiles of fellow pros Hale Irwin, Mike Reid, Mark Calcavecchia, Lee Janzen, Bill Glasson, Fred Funk, Ben Crenshaw, Bruce Lietzke, Kenny Perry, and others highlight just how much of golf is a head game. Youll learn how remarkably similar the pros mental challenges are to your own, and how each one of them has used the Focused for Golf principles to overcome mentally challenging situations. Regardless of your handicap, Focused for Golf can help you remain confident, stay in control, thrive in competition, and keep your concentration on the course. How you think is often how you shoot. Play it smart-play better golf with the help of this comprehensive mental training manual.
