

# Real Estate Investing: How To Be An Investor And Profit From Buying Houses (How To Be A Realtor Book 4)

Investing in residential real estate can be difficult. The idea sounds great, yet where do you start? Why invest in real estate? Its simple: capital gains, and someone else pays your mortgage. This book will set you up so that you are ready to build up a deposit and youll know what to look for in that first property, as well as offer some suggestions for when you are negotiating the purchase. Whether youre young and single or older with a family, investing in residential real estate can work for you. Book 4 in the series that takes you through Real Estate because you are considering becoming a Realtor, or you want more insight. Check out the other books in the series and there will be more in future.
