

Faces Of The Visitors: An Illustrated Reference To Alien Contact

A guide to the most important close encounters, alien contactee cases, abductions, & reported photos of aliens over the past century. Each of the 50 entries is based on actual eyewitness accounts & includes: a detailed drawing of each visitor based on drawings made by (or according to descriptions given by) the people who saw it with their own eyes; a description of each alien & the name of its home world, if known; a unique reliability rating, on a scale from 0 to 10; a gripping you-were-there narration of the encounter, along with meticulous documentation of source material. Also offers a complete chronological database on the important Euro-South American visitation wave of 1954 & the North American wave of 1973. Comprehensive bibliography. Illus.
