

# LIFE MANAGEMENT: : Dont just live...THRIVE!

**BOOK DESCRIPTION** Prudent life management nurtures every aspect of our life, enabling it to grow and prosper. Life management fosters growth of the individual in the four vital areas of physical, spiritual, social, and financial development. In the absence of diligent and purposeful life management, it becomes impossible to achieve growth in ANY of these areas. Life management places you firmly in control of life, and positions you to reap hefty gains in all ventures. Truly, sound life management skills place you right on top of life. This book covers all the major concepts and strategies one needs to know, in order to manage life adroitly and successfully. It should also help the reader strike a fine spiritual-material balance in life. This book of life management will empower you accomplish the following:

- Organizing life and boosting effectiveness
- Creating wealth and financial freedom
- Making smarter choices consistently
- Growth, edification, moderation, balance
- Develop and nurture every area of life
- Healthier, happier and fulfilling life Joy and contentment through control
- Security and financial serenity
