

# Holt McDougal United States Government: Principles in Practice Virginia: Interactive Reader And Study Guide Grades 9-12

On the subject of Browning's work innumerable things have been said and remain to be said; of his life, considered as a narrative of facts, there is little or nothing to say. It was a lucid and public and yet quiet life, which culminated in one great dramatic test of character, and then fell back again into this union of quietude and publicity.
