

Waltz in the Cowshed: a Step Back in Time with Huddersfield Town)

Were all mad round the bend no one takes the Cowshed end! na na na na na na na na na. It is this chant, above all, that sticks in my mind and has lived on through the demolition of the old Leeds Road ground. It is true to say that the Cowshed has only been taken by consent and there is no PHYSICAL trace it any longer. However, no one can take it from our HEARTS; nobody can rob us of the abiding memories that we have when thinking about swaying backwards and forwards with toilet rolls and balloons above our heads. Despite moving to a new wonderful stadium the atmosphere of the Cowshed remains irreplaceable. The new stadium has been named and renamed twice already for whatever reason but there will only ever be one Cowshed. Join me in taking a trip down memory lane in order to re-live the highs and lows of the unforgettable match days in the Cowshed na na na na na na na na na...
