This is an ebook written for people who are getting start in playing Golf. Playing the sport of golf requires a lot of hard work that you need to put in. you need to put in a number of hours every day and be patient because one simply does not get great at this sport. It is a sport that requires usage of the right kind of equipment like the clubs and balls that you use. Golf is a relaxing sport which one takes his time playing. Learning to play golf can be a great experience as long as you remember the basic points to keep in mind while starting to play this game. To master the game of golf, you need to be good at the long game as well as the short game. The former includes your drives and the fairway shots that you make, i.e. shots you make with a large swing, while the latter includes the shots which get one closer to the green. These may include shots that are just about a hundred feet away. Knowing exactly with what force to hit a ball at the right time is also important. Make sure that you practise the art of putting an you learn the basics of golf etiquette as well.
