

# The UMCA in Malawi. A History of the Anglican Church 1861-2010

In keeping with the work done by A.E.M. Anderson-Morshead, this book is a reproduction of the history of the UMCA and the Anglican Church in Central Africa. Bishop James Tengatenga rewrites the story of the Anglican mission that started at Magomero in 1861. The book lays out the origins, development and growth of Anglicanism that was facilitated by the work of the early UMCA missionaries, volunteers, local clergy and ordinary people.
