

Talking Together: Successful Communication for Partners (The Love and Marriage Series) (Volume 3)

Talking Together is part of the Love and Marriage series. This is a practical, how-to book by a Ph.D marriage therapist. The book teaches couples how to communicate openly, honestly, and in ways that are safe for both partners. It teaches deep listening, a particularly generous and much appreciated way in which one partner can express caring for the other. The book identifies a variety of negative patterns in couple communication and offers remedies for each.
