This work includes 4 of J.S.M. Wards shorter works: The Entered Apprentice Handbook The Fellow Crafts Handbook The Master Masons Handbook The Higher Degrees Handbook The following is an introduction to The Entered Apprentice Handbook: W. Bro. Ward is one of the most able and earnest of Masonic students. He brings to bear on the task of research the mind of a scholar, enriched by extensive reading, much travel and a wide experience of men and affairs. In addition to being a well known author of Masonic Works, he was the Founder of the Masonic Study Society, whose first President was the late Sir Richard Vassar Vassar-Smith, 33 degree, and in whose ranks are to be found many eminent Masonic writers. Brother Ward has by precept and example led others to become eager explorers in the realms of Masonic truth. The present volume is No. 1 in a series of studies as to the meaning of our Ritual. It deals with the degree of an Entered Apprentice and is calculated to inspire the younger brethren with the resolve not to content themselves with the outward form of our ceremonies, beautiful though it be, but to gain a knowledge of the indwelling soul of Masonry and to comprehend the deep meaning of the ritual with which they are step by step becoming familiar. Hence they will learn to regard the Craft not only as a world-spread, civilizing medium, nor yet only as the most benevolent of all Institutions, but also as a mine of surpassing wealth in which the Wisdom of the Ages has become embedded and preserved.
