The follow-up to his acclaimed *Silent Mind Golf*, this new book sees Robin Sieger explore the concept of choking and apply his easy-to-grasp mental conditioning techniques to help golfers at all levels perform under pressure. Using examples taken from the careers of the games greatest players, as well as case studies drawn from other sports and walks of life, Robin demystifies the psychological secrets of how to perform well at critical moments, and demonstrates how understanding the choke point enables us to conquer it.
