

Ride with Confidence!

In a sport as exciting as riding there are bound to be experiences that can leave you a little shaken, but visiting the stable yard neednt fill you with dread. This informative book explains how to rationalise your fear and work towards achieving personal goals - from handing your horse confidently to completing a cross country course or dressage test. Ride with Confidence! explores the possible origins of nervousness, both in the rider and horse, as well as positive action to enable everyone to get more from their riding. By gathering experts from all over the world this book will offer different approaches to alleviating fear and anxiety. So by reading one great book, riders will be able to devise their own confident riding system and truly enjoy their riding.
