

Stories of The Prophets and Messengers

Based on: Al Bidayah wan Nihayah (The Beginning and The End) By: Al-Haafiz Ibn Katheer Ad-Dimashqi (700-774 AH)

In this book the Stories of the Prophets and Messengers and all the events in their lives have been supported by the Quran and Ahadeeth. Wherever it was necessary, other sources have also been reported for the sake of historical accounts, but on such places a comparative study has been made to prove the authenticity of the sources. The views and interpretations of great exegetes of the past have also been documented in this compilation. The systematic narratives of these stories have been written in chronological order which renders a historical style to the book. The book is compiled using different colour texts in order to distinguish Quranic quotes and Ahadeeth references from the main body of the work. It is an excellent work which caters for a large audience of the English speaking world and can be read by virtually all age groups. Guaranteed to be enjoyed by all those who read it.
