

# Wedding Planner (Affordable Wedding Planner) (Volume 4)

Planning a wedding doesn't have to be difficult or expensive. People who plan ahead typically save more money because they take the time to shop, plan and make major decisions. Save money by planning in advance with this simple and fully customizable wedding planner. This planner features a fill-in-the-blank calendar that includes up to 24 months. There are also calendar boxes that you can write extra reminders in or draw diagrams and seating charts. Use decorative rose stickers to dress up your planner and customize it more. You can also use this area to create contact lists or simply paste pictures here. This wedding planner will help you stay organized, but it also serves as a special keepsake after the wedding. Additional bonus lined pages for journaling and extra notes are found at the back. (We offer several different covers with the same interior content, so feel free to browse through our other books to find a planner that meets your style preferences). Happy Planning!! :)
