

Hypnosis 8 Hour Sleep Cycle with Deep Relaxation and Stress Melt Booster (The Sleep Learning System)

Melt away stress and deeply relax your body and mind -- while you sleep! The 8 Hour Sleep Cycle with Deep Relaxation and Stress Melt Booster is a soothing and incredible new program that works with your sleep cycle to relax and rejuvenate your body, and instantly melt away stress, worry, and tension. Deep relaxation is yours today! Powerful benefits of this 8 Hour program include: - Melt away stress and anxiety - Quiet the buzz of the day - Create calm whenever you need it - More positive thinking and self-beliefs - Deeper relaxation for your body and mind - Deep, restful sleep through the night - Wake in the morning feeling rejuvenated and energized The following program is in a script format that can be used in several ways. You may use it as a resource or reference. This is also a helpful tool for if you're interested in recording a hypnosis session for personal use only. You can tailor the script as you go based on what works for you personally. Sleep learning takes place when your mind is at rest and the subconscious is open to positive suggestions. It's an easy way of both learning and breaking bad habits while you sleep through the night.
