

Queen Sonja Vol. 6: Heavy Is the The Crown

Heavy sits the crown of Emora, as Empress Sonja is a target for plots, schemes, and assassinations. Her new enemy is within her walls, wears no flag, and knows no mercy. How can she rule when the Wizard Koliostri and his suicidal cult of fanatical worshippers terrorize her people. By sending her captains Xander and Melea to infiltrate the cult, Sonja may have signed their death warrants. There is only one way for this to end - in fire and blood! Collecting issues #26-35 of the Queen Sonja series, along with all covers, in one volume.
