

How to write a how to write book

At last in Kindle! Weve had so many requests that despite the huge expense of converting this magnificent book for Kindle, weve gone ahead, employing the best designers. Brian Piddock says hes pleased with the result, and if I have to admit it, hes not an easy man to please. Sometimes difficult. Nit picking, that sort of thing. Drives you mad. 4 oclock in the morning the phone will ring, and its him! Unreasonable, really. Selfish, even. I wonder why we publish him sometimes. Then I remember what a magnificent book this is! And Im prepared to forgive him anything.
