

The Marital Voyage: A Guide to Happy Married Life

Marriages are universal & normally last for 25-50 years, unless disturbed by death or divorce. Differences & disputes between two human beings particularly Man & Woman are common because of differences in their psychology & prolonged intimacy. This book highlights various aspects of married life, which might affect their success or failure, suggesting ways & means to make it a successful & happy marriage, which is vital to healthy rearing of children & ultimately making a healthy society, healthy nation & world at large, worth living in.
