

# Little Book of Big Bucks

The only thing little about The Little Book of Big Bucks is its trim size! This little book shares the big stories behind the big bucks. The editors of Deer & Deer Hunting--the magazine for serious, year-round whitetail hunting enthusiasts and professionals--compiled this carry-it-with book of whitetail stories, photographs, records, and tips and techniques designed to arm hunters with the secrets to a successful hunt. Arranged in eight easy-to-digest chapters, this comprehensive guide provides insight into all of the important elements of deer hunting, including possible second chances at mature bucks and chasing whitetails across America. Chapters such as For the Record, Beginners Luck, and Worth the Wait contain amazing photographs and tales of recent record-class bucks taken in North America. Complete coverage includes references with state-by-state agency information. Web sites for hunting gear manufacturers and hunting organizations, and tips for airline travel.
