

The Pregnancy Test

Expecting moms have plenty of weird and blush-worthy questions they'd rather not ask their doctors: Is it okay to get a bikini wax? Can my baby cry in the womb? Why have I gained so much weight? The Pregnancy Test turns these questions and others into a delightful multiple-choice guessing game, complete with carefully researched and informative responses to the wildest and most outrageous concerns. Authors Melissa Heckscher and Dr. Emily Sicking test readers' knowledge of everything from fetal development to labor and delivery and along the way, you'll learn why pregnant women should stay off roller coasters and go easy on caffeine. The perfect gift for new moms (and a terrific refresher course for seasoned veterans), The Pregnancy Test answers everything you've ever wondered while expecting.
