

# Loves Revolution: Interracial Marriage

When the Baby Boom generation was in college, the last US laws on miscegenation were declared unconstitutional, but interracial romances retained an aura of taboo. Since 1960 the number of mixed race marriages in the USA has doubled every decade. At the start of the new millennium, the trend towards intermarriage continues, and the growing presence of interracial couples in the media, on college campuses, in shopping malls and other public places, draws little notice.
