

Near Death in the Desert (Vintage Departures)

The night was heavy with foreboding. The rain, which had been spitting down on us during the late afternoon, grew heavier. It hurled into our faces, borne by a wind that was now gusting between the dunes at full force. . . . It was the worst storm we had encountered and Ned was out in it alone. Justin Marozzi, South from BarbaryCecil Kuhnes newest anthology gathers the best adventure stories from the worlds most barren landscapes. Ranging from 19th-century explorers to modern-day journalists, these desert trekkers deal with everything from deserting men, corrupt armed soldiers, and Nigerian bush taxis to suspicious natives, stubborn camels, and debilitating sunburn. These thirteen tales are more than suspenseful; they also show how life can survive in the most punishing climates. Also featuring: Robyn Davidsons Desert Places-Robyn Davidson follows the Rubari people across the Thar as she tries to adapt to a difficult-but fascinating-way of life. Michael Ashers Two Against the Sahara-Newlyweds embark upon a nine-month, 4500-mile journey across the worlds largest desert, traveling from Morocco to Sudan. Bayle St. Johns Adventure in the Libyan Desert-In 1847, a team of four trek deep into Libya in search of an oasis. But what they find is even more astoundingFrom the Trade Paperback edition.
